(Pete Townshend) (various dates)

I'm sittin' in the Sheraton Gibson palying my Gibson...
And boy, do I want to go home...
I'm sittin' in the Sheraton Gibson playing my Gibson...
And boy, do I feel all alone...

Cleveland, ho! Eveil on my mind...
Cleveland, ho! I wish I was home this time...
Don't want to be unkind...

I'm sittin' in the Sheraton Gibson playing my Gibson...
And thinking about a Sunday barbecue...
I'm sittin' in the Sheraton Gibson playing my Gibson...
In my mind is a cleveland afternoon...

Cleveland, ho! Eveil on my mind...
Cleveland, ho! I wish I was home this time...
Don't want to be unkind...

I'm sittin' in the Sheraton Gibson playing my Gibson...
And boy, do I want to go home...
