Lay down your arms, and surrender to me  
Lay down your arms, and love me peacefully

Use your arms to squeeze, please  
I'm the one who loves you so

There ain't no reason for you to delcare  
War on the one who loves you so  
So forget the other boys, cos my love is real  
Come off your battlefield

Lay down your arms, and surrender to me  
Lay down your arms, and love me peacefully, yeah

Use your arms to squeeze, please  
That's the way it's got to be

The words that you're usin'  
Are hurtin' me bad  
But someday you're gonna retreat  
Cos my love baby is the truest you ever had  
I'm a soldier of love, that's hard to beat

Lay down your arms, and surrender to me  
Lay down your arms, and love me peacefully

Use your arms to hold me tight  
Baby, I don't want to fight, no more (2x)

Baby, lay down your arms, baby baby  
Oh, please, baby lay down your arms  
Cha cha cha
