(Fugazi) (various dates)

Why can't I walk down the street free of suggestion?

(2x)

She does nothing to deserve it
He only wants, he wants to observe it
We sit back like they taught us
Keep quiet like they taught us

He just wants, he wants to prove it
She does nothing to remove it
We don't want anyone to mind us
Play the role that they've assigned us

She does nothing to conceal it
He touches her 'cause he wants to feel it
We blame her for being there
