"The Kids Are Alright"

Let's try, Kids Are Alright

I don't mind for the guy dancing with my girl
Bells chime, I know them all pretty well
But I know if I don't I'll go out of my mind
So I leave her behind where the kids are alright
The kids are alright

Sometimes I feel I gotta get away
Bells chime, I know I gotta get away
But I know if I don't I'll go out of my mind
So I leave her behind where the kids are alright
The kids are alright

I know if I'd go things'd be a lot better for her
I tried so hard but her folks wouldn't let her

Sometimes I feel I gotta get away
Bells chime, I know I gotta get away
But I know if I don't I'll go out of my mind
So I leave her behind where the kids are alright
The kids are alright, the kids are alright, the kids are
alright
