Trouble, oh trouble set me free,
I have seen your face and it's too much for today
Trouble, oh trouble can't you see
Eating my heart away, and there's nothing much left of
me

I drunk your wine
You have made your world mine
So won't you be fair
Oh won't you be fair

I don't no more of you
So won't you be kind to me
And let me go there
I have to go there

Trouble oh trouble move away,
I have seen your face and it's too much for me today

Trouble oh trouble can't you see
You have made me a wreck now won't you leave me in
my misery

I've seen your eyes
And I have seen death disguised, oh hanging on me
Oh hanging on me

I'm deep and torn
I'm shattered and lost and worn
Too shocking to see
Too shocking to see

Trouble oh trouble please be kind
I don't wanna fight and I haven't got a lot of time.
