This broken wheel is coming undone  
And the road's exploding  
But you're keeping me strong  
Rolling along with you,...

Love is a tower  
And you're the key  
Leading me higher  
When you let me in

Keeping us close,... so close  
On down the line

Sometimes I burn like a dot on the sun  
With no one knowing  
But you're keeping me strong  
Moving along with you

You are a tower of  
Strength to me  
The darkening hour  
Sees light again... again

Ooh wah... ooh wah... ooh wah... ooh wah... ooh wah...  
You are... you are... you are... you are... you are...

Love is a tower  
Of strength to me  
I am the shoreline  
But you're the sea.. the sea

You are, you are, you are, you are, you...  
You are, you are
