The anger won't leave me
My blood still runs cold
Forget all the glamor
Forget all the gold

Are you listening? Do you even care?

Am I just a face or someone you trust?
I fire on the mountain, a stranger on the bus
A book without an ending, a rumor we all know
Is true

I'm just a book without an ending
When I cry it means nothing
Well I do, I am
And I scream for you

I'm surrounded by the poisons
That feed off of greed
I keep on laughing
You're not taking this from me
I'm book without ending, a rumor we all know
Is true

Just a book without an ending
When I cry it means nothing
Well I do, I am
And I scream for you
When I bleed it means nothing
Well I do, I am
And I scream for you

I can't seem to learn
The signs of being
Who I am
So I scream for you

I don't know why
I keep missing signs
I'm losing it
I scream for you

When I cry it means nothing
Well I do, I am
And I scream for you
When I bleed it means nothing
Well I do, I am
And I scream for you
And I scream for you
And I scream for you
