I'm walking in the shadows of my own tempted soul  
Time is ticking by  
While I'm chatting with this bottle of wine  
I know that I'm not perfect  
I'll admit that I'm a fool  
Everytime I'm lost  
I'm always finding my way back to you, the one  
I need when I'm awake.

Take me Home  
I wanna go  
And I'm sorry I can't love you  
I'm sorry I can't make you see who I am.

I can see what he was thinking  
It's so easy if you try  
killing yourself with a silver dagger just to show how  
much her love

Is worth the pain  
Then to hear her cry your name.

Take me Home  
I wanna go  
And I'm sorry I can't love you  
I'm sorry I can't make you see who I am.

And I can't go on, I can't live like this  
And we can't get it back, cuz it's all we waste it.  
No I can't go on, I can't live like this...

Take me Home  
I wanna go  
And I'm sorry I can't love you  
I'm sorry I can't make you see who I am.
