Hard times  
Aren't good times  
But we'll still try  
To see them through  
And your eyes  
Wouldn't meet mine  
If we both don't  
Even try

Oh tell me once again  
How we shouldn't even care  
Cause I'm just making sure  
That there's nothing really there  
You and I once fought  
On the same side of a war  
And I just never thought  
There could be that much more

Oh, we just never thought  
Oh, we just never thought  
Oh, we just never realized  
There wasn't enough time

My friends  
Don't be lost now  
Cause we're not done yet  
Not even close  
We've got  
Every reason  
To keep our heads up  
Above this test

Life just keeps on movin  
And you better get in line  
And you have got to realize  
That you're runing out of time  
Nothing stops for anyone  
Who's sleeping on their side  
Ignorance and misery  
Are living in those eyes

We just never tried

We just never tried  
We just never realized  
That there wasn't enough time
