I.

The stars are fallin'  
On your hair  
Under the porcelain moonlight  
Lying down on the sand  
Just you and me, and the band  
Playin' on our stereo  
Can't think of any better place to go, oh

Refrain:

The clouds are forming our names  
Fireworks shooting to the sea  
'Cause you believe in me  
And I believe in you, that...

Chorus:

We can make our dreams come true  
Together through the rough and smooth  
Oh God, I don't mind livin' this day,  
Through and through

II.

The cool wind is blowing  
On our skin  
Under the commanding sun  
Something has just begun  
Your deep eyes  
The orange skies  
This indeed is one of those  
Good, good, good, good times

[Repeat Refrain]

[Repeat Chorus 2x]
