Drill down to the core
Taste a little bitter?
Bury all pink splinters

Breathe a little deeper
Embrace a little tighter

Dizzy boy, easy, you're obvious
Dizzy girl, easy, you're obvious

[Repeat Chorus]

I love you (I love you), I love you forever
Let's kill this DJ together
I'll charge my laser
You grab your synthesizer

[Repeat Refrain]

[Repeat Chorus 2x]

[Instrumental]

[Repeat Chorus 2x]

Outro:

Dizzy boy... (dizzy boy)
Dizzy girl... (dizzy girl)
