I.

Feel it in your pelvis
Feel it like Elvis
Stop grinding
What are you finding?
Loosen up (Put the pieces together)
Follow up
I like it, but it's got to stop
Act your emotions
Shut the distortion
Just do it (Put the pieces together)

Refrain:

Put the pieces together
Put the pieces together
Put the pieces together
Put the pieces together

II.

On a roll
Call the shots
Start from the crust
Kick it if you must bust
Use it (Put the pieces together)
Get on your feet
Hit the corners, hit the beats
Electricity, when our eyes
Caught each other in the city
Loosen up (Put the pieces together)

[Repeat Refrain 2x]

Chorus:

Walk the walk, talk the talk
Walk the walk, talk the talk
Walk the walk, talk the talk
Walk the walk, talk the talk
Prove it (Put the pieces together)

[Repeat Chorus]

[Instrumental]

[Repeat Refrain]

[Repeat Chorus 2x]
