### VERSE 1

Wake Up In The Morning  
Or Maybe Late At Night  
Button Up Your Suit  
Strap Your Leather Tight  
Choking On The Memories  
Of What You Did Last Night  
Lurk In The Darkness  
Live In The Light

### CHORUS

I Look In Your Eyes  
They're So Cold  
The Monster Is Here  
In your Seminary

With Bloodshot Eyes  
And An Evil Grin  
Reincarnate Your Hidden Sins

### VERSE 2

People Let You Inside  
Because The Trust You  
Show The Just A Little  
And they'll See Right Through  
Never really Knowing  
What you'll Put Them Through  
Slip Inside  
Release Your Lies
