I wanna kill Cody  
With a hatchet  
I don't care what anyone says  
I got lamas on my mind  
Thinking about killing  
Gonna show you how we are the best

Put poison in your mouth  
Keep you runnin' around  
Cause I hate you, yeah  
Tape your hands to your hips  
Take you down, sink your ship  
Sorry, I can't resist

(Chorus)  
I wanna live my life the way that I wanna  
Cut off heads, can you live with that?  
Build a Marmie like we never had  
Cause I only wanna live my life  
I wanna ride right on a unicorn, and eat slices of  
yummy cheese  
Make fun of, Dustin wanna-be  
Cause I only wanna live my life

Jamie kyte looks like a fishy  
& Stacey's a lama  
Big PaPa M's nostrils are large  
& Jill your a whore  
Cody's a player  
& I need a stakeout right now!

Put poison in your mouth  
Keep you runnin' around  
Cause I hate you, yeah  
Your all wrong, we are right  
Got permission to kill tonight  
So run for your life

(Chorus)  
I wanna live my life the way that I wanna  
Cut off heads, can you live with that?

Build a Marmie like we never had  
Cause I only wanna live my life  
I wanna ride right on a unicorn, and eat slices of  
yummy cheese  
Make fun of, Dustin wanna-be  
Cause I only wanna live my life

Now I'm goin' crazy  
I'm tired of lamas  
My tempers on fire  
We just want you to know  
Were losin' our heartaches  
Fuck the time that we wasted

Put poison in your mouth...  
Put poison in your mouth...  
Put poison in your...

(Chorus)

I wanna live my life the way that I wanna  
Cut off heads, can you live with that?  
Build a Marmie like we never had  
Cause I only wanna live my life  
I wanna ride right on a unicorn, and eat slices of  
yummy cheese  
Make fun of, Dustin wanna-be  
Cause I only wanna live my life

I wanna live my life the way that I wanna  
Cut off heads, can you live with that?  
Build a Marmie like we never had  
Cause I only wanna live my life  
I wanna ride right on a unicorn, and eat slices of  
yummy cheese  
Make fun of, Dustin wanna-be  
Cause I only wanna live my life
