I don't know if I can call any longer
How many times have I called you a lama?
Or said something insulting?
We can be so mean when we wanna be
We are capable of really anything
We can cut you into peices, with our hatchet, Stacey...

(Chorus)
Please die Stacey, please die Stacey
I always say how I hate you
& It's always gonna come right back to this
Please die Stacey

How did you become so whoreish?
Why do you look like a fucking ostrich?
You look really nasty
Can't you tell that this is all just a contest?
The one that calls will be the one that's beat the
hardest
& Stacey we do hate you
I mean it, I promise...

(Chorus)
Please die Stacey, please die Stacey
I always say how I hate you
& It's always gonna come right back to this
Please die Stacey

I forgot to say about how disgusting you really are
stacey
I hope you die
Your really fucking ugly
& I hate you
Your a lama...

Please die Stacey, please die Stacey
Oh, Please die Stacey, please die Stacey
I always say, I always say how I hate you
& It's always gonna come right back to this
Please die Stacey, Please die Stacey

I always say how I hate you
& It's always gonna come right back to this
Please die Stacey
Lama, please, please, dropdead...
