Calling all rednecks to put down their sluggers
Turn their attention from beating the buggers
Pick up machine guns and kill camel fuckers

Backwoods nation...

Calling all doctors of spin and the smoke screen
To whip the new hate riots into a frenzy
Of good versus evil ignoring the history
Of the Backwoods Nation

Ain't it a shame
When due process
Stands in the way of swift justice

Calling all frat' boys
To trade in their hazing
Their keggers and cocaine
And casual date raping
For cabinet appointments
And rose-garden tapings

Backwoods, backwoods, backwoods.....nation
