Dad, Dad, why did you let that man push you around  
like that?  
You should have beat him down, down to the ground,  
down to the ground for that.

He said ?son, you're still young and you always jump  
the gun.?

There's real people in the big, big trucks, that you flip  
off when they get in the way.  
You get so hot, but you pay no mind to the great big  
sign that says over size load.  
You really think they can go as fast as you in your '87  
trans am?  
They know you're in a terrible rush they're goin just as  
fast, as fast as they can.

Dad, Dad, I really don't understand what driving big  
trucks have to do with that man.  
You should have taught him a lesson, about being  
rude.  
About talking to you with such an attitude.

?Son, you're still young and you always jump the gun.?

There's real people in the big, big trucks, that you flip  
off when they get in the way.  
You get so hot, but you pay no mind to the great big  
sign that says over size load.  
You really think they can go as fast as you in your '87  
trans am?  
They know you're in a terrible rush they're goin just as  
fast, as fast as they can
