making love in back seat of the car
with the ocean breeze slipping thru your hair
this is the best part of my life

far away from the classroom drama
making sure we are having a good time
these are the things that makes me smile
pick it up! pick it up! with this song tonite

get ready for a revolution
(the long recess is over)
freshmen's year has gone gotta take it away with all
we've got
get ready for a revolution

(the long recess is over)
and i know everything will be alright

tu tu ru tu ru tu tu ru ru
tu tu ru tu ru makes me wanna say
tu tu ru tu ru tu ru ru ru
tu tu ru tu ru makes me wanna say

i know this weekend will be better than the last

reff:
sometimes life gets harder everyday
right now things will never be the same
stand up! with everything you've got
cus after all we're the one whos winning

making love in the backseat of the car
with the ocean breeze slipping thru your hair

this is the best part of my life
