Stay out all night long  
Now just to keep you off my mind  
Stay out all night long  
Babe, now-now keep you off my mind  
Well now you keep me worried baby  
In an alley barefoot all the time

Once was a good girl  
Ain't no be that way no mo'  
Now don't forget a day, baby  
You drove me from yo' do'

Once was a good girl  
They don't preach that way no mo'  
An don't forget a girl, now little may matter  
Babe, now you drove me from yo' do'

How do you feel  
When you drive a good man from yo' do'?  
How do you feel  
When you drive a good man from yo' do'?  
Well-well, now you must stop, look an listen  
Maybe your best friend, you don't know

(piano)

Spoken:  
When it's hard sometime when you get in bad luck.  
Sometimes that a man don't know just what to do.  
But I'm 'onna tell you what I'm 'onna do for myself  
I'm 'on get me one .45, now I take care of myself then.

What would you do now, little mellow?  
You come walking to my do'  
An I will tell you about this

'Please don't come here no mo'

What would you do  
If you come walkin' to my do'?  
Well then I tell you  
'Bye-bye, you not 'onna come here, no mo'

There's something I'll tell you  
Don't turn a good man from your do'  
Now there's far something I tell you  
Don't drive a good man from your do'  
Well-well, now you may need his help someday, baby  
Hm-well-well, you don't know.
