Banana man, banana man
Don't come by here no more
Banana man, banana man
Don't come by here no more
So, I could keep my baby
Hm-hm-um-well, now come runnin' to the door

She love yo' banana
And buys them all the time
She love yo' banana
And buys them all the time
When you don't come by
Hoo-hoo-um well, she almost lose her mind
(piano & guitar)

'Now, kick it just a little while, boys'

'Another man don't want him to be comin' here no mo'

'Swing it, swing it, boys'

I moved over here
From the other side of town
Moved over here
From the other side of town
Tryin' to keep that old banana man
Hoo-um, well from always hangin' around

Now, she got good credit
Probably, moves ev'rywhere he gon' move

Now, she got good credit (she does)
And bother you most ev'rywhere you gon' move
Sometime she pay cash
Woo-well-well, and sometime you know you're not
(You're not suppose to come around here, any more).
