Woman, I got a black horse
And he rides just fine
Woman, I got a black horse
I say, he rides just fine
I want you to come on over
Woo-hoo-well, girl and drive with me some time

He's a good ridin' horse
And he runs steady all the time
He is a good ridin' horse
And he runs steady all the time
Then come on over
Woo-well-well, a little ride on
This black horse a-mine

He's a good horse
And it's trots so nice
I said it's a real good horse
And his trots so nice
Well, if you ride him one time, well faire
You'll want to ride him all your life

'Yah, yah, pay attention to me!'
(guitar)

I know once I lend my black horse
To a related friend
I know once I lend my black horse
To a related friend
And she said, 'Please Mister
Let me ride on that black horse, again'

I'm gon tell you women
If I owned that black horse a-mine, again
I'm gon tell all you women
If I owned that black horse of mine
Please come up and see me
Hoo-well-well, I'll let you ride that black horse
sometime.
