Well, let me tell you now, people
What the C&A will do for you
I said, let me tell you, peoples
What the C&A will do for you
Well, now she will take yo' little woman
Then will holler back at you

Hoo-hoo, cain't you hear
C&A with the blues
Ooo, cain't you hear
C&A with the blues
Mama now de blowin' so lonesome for you, babe
Honey, because I want to go

Hoo-ooo, few more days
Few more nights alone
Hoo-hoo, few more nights alone
Baby, now I'm not gon' pack my suitcase
Honey, now *Hannah will be gone

'Play it for me, Charlie'

Well now, when a woman take the blues
She will hang her head and cry
Now, when a woman takes the blues
I said, she will hang her head and cry
Well now, when a man takes the blues
Pleas out, he will catch him a train and ride

Hoo, gon' write me a letter
Mama, gon' mail it in the air
Now, I'm goin' write, Lord, I meant it
Now, I'm goin' write me a letter
Hee-hee, gon' mail it in the air

Well-well-well, gon' send it out the country
Mama, now, now see is my little girl there.

~

*Hannah refers to the sun
