I had a dream last night, mm  
Now the whole round world was mine  
I said now I had a dream last night  
Babe, the whole round world was mine  
And now when I waked up this morning  
Had to whistle now to keep from cryin'

Ah, well, hide your voice  
Baby, narry heard my bulldog growl  
I-hi-heard na'r a voice  
Hon, I heard my bulldog growl  
Ah, well, might be far to hear you  
I must be some place close around

I could have a little bulldog  
Ev'ry night and watch you whiles you sleep  
I said, they could have a little bulldog  
Honey, now and watch you while you sleep  
Sometimes I could see yo' little mans  
Out when they go to make they 'fore day creep

Well now, creeps ev'ry mornin'  
Baby, just befo' day  
Ah now, creeps ev'ry mornin'  
Honey, just befo' day  
Well, well, now creep so long  
Mama now, a wife can't steal away

Now, it will take two black horses  
Baby now and a great big double do'  
I will, I nail on a great big double do'  
And now that's all I sing, little mama  
I've got some other place I wanna go.
