Blues is a worst old feelings
Now, that makes you feel so bad
Blues is the worst old feelings
And the kind that make you feel so bad
Now you know they worst old feelings
Woo now baby, was lowest that I ever had

I got a blues, so bad
Now's I don't know what to do
I got a blues so bad
You know, I don't know what to do
Once you will get in trouble like me, little mellow
Woo, little girl you will have them, too

Ooo, now these blues
Blues have got it bad for me
Ooo, have the blues
Blues have got the best of me
Now, I can sit 'chere and wonder
Woo, well what's gon' become of me?

'Hard some time ain't it?'

Don't want me, baby
Why you don't you tell me so?
If you don't want me, baby
Why don't you tell me so?
Now, I'm a hypnotizin' daddy
Can get me a woman ev'ry place I go

I'm goin' down to the Mississippi
I b'lieve I'll take me a long lonesome dive
Woo, baby, I b'lieve I'll take me a long lonesome dive
Do you think now, if I'm commit murder

Wonder, would I ever get back alive?
