That love bug done bit me
Now, I can't be satisfied
That love bug done bit me
Now, I can't be satisfied
I wish for a magic woman's love to free me
Hoo-well, now for some might live on the other side

That love bug done bit me
And I cannot help myself
That love bug have bit me
And I cannot help myself
Yeah, it bit me so hard
Hoo-well-well, until I don't want nobody else

Now, I feel bug-bitten proof
You sho' better stay that way
I said, it feels bug-bitten proof
You sho' better stay that way
Because the love bug is biting
Hoo-well-well, you, each an ev'ryday

You better look out
Because that love bug is biting here
You better look out
Because that love bug is biting ev'rywhere
If he don't bit you over here
Hoo-well-well, he could bit you over there

That love bug done bit me
An I ain't no lyin' man
And that love bug done bit me

An I ain't no lyin' man
Ev'rybody yellin' about it
Ho-well-well, I'm about to go insane.
