Take me for your own
Please be kind
Prove to me
That I'm on your mind

Then love me with attention
Love me with attention
Just love me with attention
To drive my blues away

If you'll be my baby
You can't go wrong
You don't have to worry about things
Truth be known

Just love me with attention
Love me with attention
Just love me with attention
To drive my blues away
(piano & hca)

I have been mislead
That's my downfall
The one misled me, mis-
Led them all

Just love me with attention
Just love me with attention
Now, love me with attention
To drive my blues away

When I say I love ya
Bet your life it's true
I don't want your money
What I want is you

Just love me with attention
Just love me with attention
Just love me with attention
To drive my blues away
(piano & hca)

Come home with the girl my own
Tell me is mine alone
Gives your love to me
Until it makes me moan

Just love me with attention
Just love me with attention
Just love me with attention
To drive my blues away.

~

note- like the reverse of Freddie King's '61
'You've Got To Love Her With A Feelin'.
