I am all snowed under and beat so bad  
I am all snowed under and beat so bad  
Not a dime, ooo-well-well  
For the big wealth that I had

I could just phone anywhere in town  
I could just phone anywhere in town  
Mr. Livinggood wanted it? ooo-well-well  
An they'd rush it on down

I had a butler just to fetch me my gin  
I had a butler just to fetch me my gin  
Living seven ways through the week  
Hoo-well now, but I'm living ten

On big parties I drop money on the flo'  
On big parties I drop money on the flo'  
An leave it for the sweeper  
An walk on out the do'

I buy my baby a silk dress ev'ryday  
I buy my baby, silk dress ev'ryday  
She'd wear it one time, ooo-well-well  
Then she'll just throw it away

I had money in my name but I was too big a fool  
I had money in my name but I was too big a fool  
I would throw it at the wind, ooo-well  
Because I was stubborn as a mule.
