Now, let me tell you  
I'd like to see my baby, now  
I said, let me tell you  
I like to see my baby, now  
I bet I'd wanna see her  
Hoo, Lordy, you don't know how

Well, I know my little woman  
She can't sleep at night  
Woo-hoo-umm  
Know my sweet woman  
She can't sleep at night, mm  
Well, now she's got it in her mind  
That her man gon' treat her right

Pretty babe, pretty baby  
You may look for me most any day  
Pretty baby  
May look for me most any day  
Well, really doesn't matter  
Hoo-ooo, I ain't gon' tarry away

Now, how would you feel  
Babe, now might come home today?  
Well now, how would you feel  
Baby, if I come home today?  
You wouldn't have no time, little mama  
We'll pass the time away

Hoo-hoo-ooo, look for me tomorrow  
I'll be home, I'm sure  
Look for me tomorrow  
Babe, now I will be home, I'm sure  
I want you to hug and kiss me baby  
Now, when I come walkin' in yo' door.
