You gon' come home

Find yourself locked out

Box car gon' bump ya

And it ain't no doubt

You've gotta tell me something

Gotta tell me something

You've gotta tell me something

How to get along with you?

I got you in dead winter

Snow was fallin' down

Shoes had no bottom

Yo' big feet on the ground

You've gotta tell me something

Gotta tell me something

You've gotta tell me something

How to get along with you?

You go to bed here, lately

You tied up yo' hair

I accident'l touch ya

Now you's worser than a bear

You've gotta tell me something

Gotta tell me something

You've gotta tell me something

How to get along with you?

(piano & harmonica)

You used to get my money

By ticklin' my chin

Now you've got to thrill me
Like you do other men

You've gotta tell me something
You've gotta tell me something
You've gotta tell me something
How to get along with you?

You've gotta show me somthin'
Ev'rything you can do
I ev'n got tired
Of spending my money on you

You've gotta tell me something
You better tell me something
You've gotta tell me something
How to get along with you?

(piano & harmonica)

When I got home
She had gone to bed
An these are the lovin'
Words she said

You gotta tell me something
You gotta tell me something
You've gotta tell me something
How to get along with you?
