Let me tell you 'bout a boy I know  
He's my baby and he loves me so  
Every morning 'fore the sun comes up  
He brings me coffee in my favorite cup  
That's why I know, yes I know  
Hallelujah I just love him so

When I'm in trouble and I have no friends  
I know he'll go with me until the end  
Everybody asks me how I know  
I smile and tell them he told me so  
That's why I know, oh I know  
Hallelujah I just love him so

Now if I call him on the telephone  
And tell him that I'm all alone  
By the time I count from one to four  
I hear him on my door  
In the evening when the sun goes down  
When there is nobody else around  
He kisses me and then he holds me tight  
He tells me, "baby everything's all alright"  
That's why I know, yes I know  
Hallelujah I just love him so

Oh yes I know, yes I know  
Hallelujah I just love him so

Now if I call him on the telephone  
And tell him that I'm all alone  
By the time I count from one to four  
I hear him on my door  
In the evening when the sun goes down  
When there is nobody else around  
He kisses me and then he holds me tight  
He tells me, "baby everything's all alright"  
That's why I know, yes I know  
Hallelujah I just love him so  
Hallelujah I just love him so  
Hallelujah I just love him so
