Don't let me cross over love's cheating line
I'm tempted my darling, to steal you away
So help me my darling, stay out of my way
You know that I love you, but I'm not the cheating kind
I'm faced with a heartache at love's cheating line
(CHORUS)

Don't let me cross over love's cheating line
You belong to another and you'll never be mine
I know one step closer would be heaven divine
Don't let me cross over love's cheating line
I've tried to forget you, but what else can I do
When your eyes keep sayin' that you love me, too
I know if I lose you not a dream will I have left
I don't want to cheat, dear, but I can't help myself
(REPEAT CHORUS)
