(Angel pie)

Angel pie  
Angel pie  
What are you doin' out of heaven?

Angel pie  
Angel pie  
You know your way up out in heaven.

Close to me  
I can see  
That there's a devil in your eye.

When we kiss  
Once or twice  
I can taste paradise  
'Cause you're my  
Angel pie.

Though you haven't any wings  
You have many other things  
That keep showing me  
How much your love is worth.

There's no halo on your head  
But my lips have always said,  
You're the sweetest little angel here on Earth.

(Angel pie)  
(Angel pie)  
What are you doin' out of heaven?

(Angel pie)  
(Angel pie)  
You know you're way up out of heaven.

Close to me  
I can see  
That there's a devil in your eye.

When we kiss  
Once or twice  
I can taste paradise  
'Cause you're my  
Angel pie.

Angel pie  
Angel pie.
