You let me think that I'm your one big love  
Then you kiss and run from me  
Then you kiss and run

You hold me close and swear by stars above  
Then you kiss and run from me  
Then you kiss and run

[CHORUS]

You say you care and share my dearest dreams  
Then without a word it seems  
We've drifted apart

[VERSE 1]

What did I do  
That you should act this way  
Don't you know you've gotta stay  
Right here in my heart

[VERSE 2]

So won't you remember that this crazy game  
Isn't any fun for me  
Isn't any fun

[VERSE 3]

You've gotta learn that I'm your all  
You're only one  
Never kiss and run from me  
Never kiss and run

[Repeat CHORUS]

[Repeat VERSE 1]

[Repeat VERSE 2]

[Repeat VERSE 3]
