Fools rush in where angels fear to tread
And so I come to you my love
My heart above my head
And though there may
Be danger there
If there's a chance for me
Then I don't care

(Verse)

Fools rush in where wise men never go
But wise men never fall in love
So how are they to know
That when we met I felt my life begin
So open up your heart and let this fool rush in

(Verse)

Fools rush in where wise men never go
But wise men never fall in love
So how are they to know
That when we met I felt my life begin
So open up your heart and let this fool rush in
Just open up your heart and let this fool rush in
