Sha la la la hey hey
Sha la la la ohh hey ohh hey
Hey ohh here we go!

I'm on way
It's a normal day
Everything seems ok

I'm just fine
Till I see your face
The look in your eyes
You don't look happy
But I don't care
It's like that everyday

Chorus:
I get use to the way things work around here
They are not fun
But are clear
I can tell what you feel
By the look on your face
Your not hiding anything(no no)
I was use to clining on real tight
But I feel that's not right
So I'm leaving here today (hey hey)
I going to go my own way
See where the world takes me(oh oh)
This is my last good bye (2 you)
I'm on my way(yeah yeah)

La la la la la la
Oh oh oh oh oh ohhhh
I always wondered
When this end
I and I know you wonder to
But we really didn't where to go
From where we started

So now I'm on my way
This happening today
I'm not gonna waste anytime
(Bye bye)

Go 2 the chorus

I guess I will see you later
Guess it will be a while
But I'm find with that(you know that)
Cause you now I'm gonna be gone for a while
(A long long time)

Repeat chorus x2

I'm on my way
I'm on my way
Sha la la la la
I am on my way
