Yah I know I feel
And yah I do care
Even if you think I'm floting on a cloud in the air yeah
I do understand
that's just is the way I am

CHORUS

It's all cool
It's alright
I'm not mad
I know how you feel and I understand
We are still friends
Yah hope it's like that till the end
Don't worry
Cause it's all cool

Don't give up
Don't stay down
Just stand up stright and tall
Don't forget to give it your all
You'll be fine

GO 2 CHORUS

I'm your friend
I won't let you down
When you need me I'll be around
Ohhh Yeah Yeah
Just face life with your all
Yeah

GO 2 CHORUS

Yeah ohhhhhh yeah yeah
