Yeah yeah yeah
Ohhh ohhhh
La la la
Ohhhh
Yeah ohhh

I wanted to tell you I love you
But that would not be ture
Sure you are cute and charming too
But I don't love you

I don't understand why you do
The things you do
Don't understand why you make feel so cold
Like I'm all alone
But I'm right next to you

Ohhh

Yeah

1234

Oh oh oh oh

Yeah!!!

Chorus:

It's Over
Good bye!
Don't have to see you
For the rest of my life
And now I don't worry about you
Stopping me
While I'm going after my dreams
Bye bye
Don't wanna see you
Cause it's over!

Don't get in my way
Don't want to see your face

I'm in a hurry
Need to get away from you
Oh oh oh yeah
Do have a problem with that
Because if do
It don't matter
I'm leaving you

Go 2 chorus

Yeah yeah yeah
It's OVER!!!
I can't even stand to look at you
Oh oh oh
Cause you know
Yeah you know
Ohh
It's OVER!!!
Yeah! yeah! ohhhhhhhh

It's so over
It's so over
Good bye!!!

Repeat chorus 2 times

YEAH!
