irthes ksafnika, san aeras pou irthe na me pari
onoira misa, the perimena na thw,
me'ston ourano, perpatouses dipla sto fegari
me'ston ourano, kathe vrathi se zitw,

ehis sinefa apopse,
then boro ta matia sou na thw,
ti zoi mou ela ki kopse,
distixos akoma s'agapw
ehw pi s'olo to kosmo,
oti de se thelw alo pia,
ki oso teatro ki an pezw,
distixos, se skeftoma ksana

Xronia trigirnw, periferome mai sti zoi sou,
De se sigxorw, pou m'afinis ta skalia
Xronia prospathw, filaki na valw to fili sou
kiolo kseglistra, i glikia sou agalia

ehis sinefa apopse,
then boro ta matia sou na thw,
ti zoi mou ela ki kopse,
distixos akoma s'agapw
ehw pi s'olo to kosmo,
oti de se thelw alo pia,
ki oso teatro ki an pezw,
distixos, se skeftoma ksana
