Were I to leave you  
Would you miss me?  
Come and kiss me  
Then let me go  
It's only heartache, I know  
We go so fast  
Now go so slow...

Can I be here  
And not leave here  
With a pocketful of blues?  
It's only that I'm feeling, used up  
It's only that I'm feeling used.

I can fake it, but  
Can we make it?  
Can you take it if I leave?  
I wonder  
Do you believe in me?  
I wonder  
Do you believe in me at all?

I'm so scared now  
Don't want to be afraid  
Of the empty road ahead  
There's a lonely, unmade bed  
With echoes, of the words you said to me  
Echoes of the words you said in my head.

Were I to leave you  
Would you miss me?  
Come and kiss me  
Then let me go  
It's only heartache I know  
I'm just a half, make me whole...
