Andy's mourning and I don't know what to do
There's gotta be a better way... to start anew
On this morning I've never felt so blue
Andy's mourning and I don't know, no I don't know

Well sometimes I do and sometimes I say
If it's not up to you than who's gonna save
Her day, who will save
Her day?

Andy's mourning so quietly
Has she fallen in love or into pity?
On this morning I prayed so helplessly
That tears disappear and soon she would be...

Happy, Smiling

She's got dreams wide as the ocean
They crash like waves in slow motion

Well sometimes we move and sometimes we sway
When it's not up to you than who's gonna save

The day, who will save
The day?

Andy's morning is the best time of day
