I'm your paper bag  
I'm a paper bag prince for you  
All the things I had  
I threw them away for you

Cause I know that you know  
That I love that you know that I'm here

A dragon came along And took you away from me  
And so I wrote this song I hope that it sets you free

Cause you know that I know That you love that I know  
that you're here...  
And I know that you know That I love that you know that  
I'm here...  
to rescue you

You don't have to wear a nice long gown for me  
You don't have to wear anything at all to be  
My paper bag queen, my paper bag queen  
My paper bag queen for free

We are paper bags, We the paper bag kings for you  
All the things we had, Yeah, we gave them away to you

Cause we know that you know That we love that you  
know that we're here

We all got holes in our eyes  
That lead to souls on the inside  
So go inside and you'll find  
You've got nothing to lose, you've got nothing to hide

You don't have to wear a nice long gown for me  
You don't have to wear anything at all to be  
My paper bag queen, my paper bag queen  
My paper bag queen and me

Instrumental Verse

Cause you know that we know That you love that we  
know that you're here

And we know that you know That we love that you know  
that we're here...  
to rescue you
