Was a long and dark December  
From the rooftops I remember  
There was snow  
White snow

Clearly I remember  
From the windows they were watching  
While we froze down below

When the future's architected  
By a carnival of idiots on show  
You'd better lie low

If you love me  
Won't you let me know?

Was a long and dark December  
When the banks became cathedrals  
And the fog  
Became God

Priests clutched onto bibles  
Hollowed out to fit their rifles  
And the cross was held aloft  
Bury me in honor  
When I'm dead and hit the ground  
My nerves are poles thatn unfroze

If you love me  
Won't you let me know?

I don't want to be a soldier  
Who the captain of some sinking ship  
Would stow, far below

If you love me  
Why'd you let me go?

I took my love down to Violet Hill  
There we sat in snow  
All that time she was silent still

So if you love me  
Won't you let me know?

If you love me,  
Won't you let me know?
