Fuckin' in the shadow with a whore  
Going straight to hell  
Still I'm trying to ignore  
That disgusting smell

Bodies in the darkness  
Dancing with me  
Whispering voices  
Bless me with lust and pain

Pussy turns to bloody gore  
Where only vermin dwells  
Sickness is her fucking name  
And sickness' what she sells

Zombies in the darkness  
Dancing with me  
Bless me with sickness  
While I'm fucking her

Come on baby - fuck with me  
Suck my dick - as I lick  
Put my fucking tongue in your  
Muscous cunt - stinky cunt

Eat your pugnent smelling shit  
That is fun - this is it  
Get your pussy wet for me  
Love me baby please - Fuck

Sweat runs down my neck  
My heart is beating fast  
Maggots crawl inside my veins  
No longer it will last

Devils in the darkness - torturing me  
No longer dancing - curse me with death and hate

No more I'm a human beeing  
Now I'm living dead  
I will be your worthless shit

I'll turn your head

Dancing in the darkness

Whispering voice

I will devour you,

Curse you with lust and pain.
