Penetrating voices going through my head  
I haven't listened to a thing they said  
Always they removed the answers  
I won't suffer the consequences

Torn between the two  
Right or wrong, there is no answer  
Don't tell me what to do  
It's my choice, I'm taking a chance, yeah

Don't dictate, don't dictate, don't dictate, dictate to me  
Don't dictate, don't dictate, don't dictate, dictate to me

Penetrating voices going through my head  
I haven't listened to a thing they said  
Always they removed the answers  
I won't suffer the consequences

Torn between the two  
Right or wrong, there is no answer  
Don't tell me what to do  
It's my choice I'm taking a chance, yeah

Don't dictate, don't dictate, don't dictate, dictate to me  
Don't dictate, don't dictate, don't dictate, dictate to me

Don't dictate, don't dictate, don't dictate  
Don't dictate, don't dictate, don't dictate

Don't dictate, don't dictate
