I will take this place.

I'm all you ever wanted
your smile is so romantic

This is what you were made for x2

It's so hard to see you
When we never cared, when we never cared. x3

It's so hard to see

Your smile is so romantic
I'm all you ever wanted.
Your smile is so romantic
This is what you were made for
This is what you were made for
Rawr.

It's so hard to see you
When we never cared, when we never cared x3

It's so hard to see

I will take this place

Pictures, left behind were almost as perfect
as the angel I was staring at. Untill she had stolen
the most precious belonging I had.
And she did, my heart.
This doesn't always have to end off in suicide. x2
