You will never touch her like i did, You'll never make
her scream.

You'll never touch her like i did, you'll never make her
scream.

I want you to die for me,
I want you to die for me.

Give me your best fucking shot.

This bedroom blackout, you've made this, you'll have it.
This bedroom blackout, you've made this, you'll have it.

These are tyre tracks over pretty eyes, you didnt need
to see me cry.

These are tyre tracks over pretty eyes, you didnt need
to see me cry.

These are tyre tracks over pretty eyes, you didnt need
to see me cry.

These are tyre tracks over pretty eyes, you didnt need
to see me cry.

You will never touch her like i did, You'll never make
her scream.

You'll never touch her like i did, you'll never make her
scream.

I want you to die for me,
I want you to die for me.

This is what you made it.

This bedroom blackout, you've made this, you'll have it.
This bedroom blackout, you've made this, you'll have it.

These are tyre tracks over pretty eyes, you didnt need
to see me cry.

These are tyre tracks over pretty eyes, you didnt need
to see me cry.

These are tyre tracks over pretty eyes, you didnt need
to see me cry.

These are tyre tracks over pretty eyes, you didnt need
to see me cry.

I want you to taste this and tell me,
I'm the only thing that keeps you breathing.
I keep you breathing,
I keep you breathing,
I keep you breathing,
I keep you breathing

Keep you breathing.
