eyes meet  
words stick

eyes collide and feelings begin  
(eyes collide and feelings being)

memories fade but pictures stay  
(memories fade but pictures stay)

fear grows, high truth  
fear grows, high truth

worlds collide  
(you crush my heart) x3

worlds collide  
you crush my heart

eyes meet, words stick

eyes collide and feelings begin  
(eyes collide and feelings being)

memories fade but pictures stay  
(memories fade but pictures stay)

fear grows, high truth x2

worlds collide  
(you crush my heart) x3

worlds collide  
you crush my heart

worlds collide  
crush
