You, know I'm a star,  
Cause I go far,  
To get to this point in my life,  
I'm going up, so don't hate  
Just congradulate

[Talking:]  
The whole world revolves around me  
Pen-ney, a princess, a diva, and it's all about me

Me, It's all about me (all about)  
It's all about me (all about)  
It's all about me (all about)  
It's all about me  
It's all about me (can't you see)  
It's all about me (can't you see)  
IT'S ALL ABOUT ME

Limosines, magazines,  
I have plenty things  
Y'all don't understand,  
The demands, of my million fans

[Talking:]  
They all love me  
Everything I touch turns to gold,  
I went from Demo to limo, and now  
It's all about me

Me, it's all about me (ooh ooh oh)  
It's all about me (It's all about me)  
It's all about me  
IT'S ALL ABOUT ME  
It's all about me (ooh ooh)  
It's all about me (can't you see)  
It's all about me  
It's all about me  
IT'S ALL ABOUT ME

ME,  
ME ME ME ME ME
