Bad Man, Bad man
What have you gone done to me
I still have so much hope in this world

Take off your sunglasses
Take off your big sunglasses
Take off your sunglasses
Take off...
See the sun x8

Sad Man, Sad man
What have they gone done to you
You still got some people in this world

Take off your sunglasses
Take off your big sunglasses
Take off your sunglasses
Take off...
See the sun x8

Mad Man, Mad man
Only you can really see
I wonder if they see you in this world

Take off your sunglasses
And take off your madness
Take off your sunglasses
Take off...
See the sun x4
See the sun x8

Bad Man, Bad man
What have you gone done to me
I still have so much hope in this world

Sad Man, Sad man
What have they gone done to you
You still got some people in this world

Mad Man, Mad man
Only you can really see

I wonder if they see you in this world

So take off your sunglasses
Take off your big sunglasses
Take off your sunglasses
Take off...

Take off...
See the sun...
