- Uffff...
- I'm getting bored
- Hmmmmm...
- I'm hunery
- I need a human Brain
- Bea little patiend,he'll come in a feww minutes
-Brain
- ??
- Hmmmmmm
- Here he comes
- Gooooooooooo!!!

Your brains are fat your ideas are flat
I look inside your mind and see it's black
You're killin the people by your wicket thoughts
And I really wish I could see

Brain,brain on the wall
Brain,brain on the wall

You think you'll be a part of my history
But you can't be a part of my shit
You're having fun while the other people cry
And I really want your
